The image shows a green printed circuit board (PCB) with various components and traces. In the center, the text "MIT DRIVERLESS" is displayed in white. The "MIT" part is in a bold, sans-serif font, with the "M" and "I" connected. The "T" is also connected to the "I". The word "DRIVERLESS" is in a smaller, all-caps, sans-serif font. The PCB has several circular holes, some of which are filled with dark material. There are also several small, yellow, rectangular components mounted on the board. The overall design is clean and professional.

MIT DRIVERLESS

Power Mux Board v1.1 - Raphael Chang
